

## Paperless Solutions

Stop PAYING the high costs associated with processing your Accounts payables transaction and GO PAPERLESS all at once..

- Are your files still in file cabinets or an open file system? Are they in a secure room?
- Create an end-to-end solution for your accounts payables department.
- Our purchase to pay delivers full document workflow capabilities from document capture to document destruction.
- A streamlined digital process including web based requisition interface to trigger the purchasing cycle?
- Specialized work flow and capture tools to handle routing, matching, approval and distribution of both P.O.'s and Invoices.
- Reduce in-house scanning costs by 75%

Dramatically reduce the high transaction costs inherent to processing Requisitions, Purchase Orders and Vendor Invoices in a paper based world.

How about the ability for key word searches, document security, disaster recovery, and 24/7 access?
