

## Paperless Solutions

# Meet HIPAA and meaningful use stage 2 compliance with our services.

- Are your files still in file cabinets or an open file system? Are they in a secure room?
- Do you have auditing controls? "Who" took "what" file for "what" purpose?
- Do you have an EMR and paper charts?
- Do you want to avoid fines and penalties of up to \$20,000.00 for each Doctor in your practice?
- Do you want to beat malpractice law suites 95% of the time?
- Do you want to save 30% in operational costs?

If you answered "yes" to one of these questions, we need to discuss your options. We have a guaranteed solution that will address all your concerns.

Take back all your worries, be compliant and never worry about auditors. They are coming and if your not compliant, face fines and -non payment from insurance companies.
